

GROWING TOGETHER

An Unwavering Mission

After years of serving the community, the Pickaway County Fairgrounds have been redeveloped to better meet the needs of our region. The new Pickaway Agriculture and Event Center will provide year-round-facilities for a wide variety of events, conventions, expos and of course, our yearly county fair.

Due to the flexibility of these buildings and grounds, their ongoing utilization will provide economic stimulus through events pulling from a much larger region.

The New Facilities

Heritage Hall, a 20,000-square foot arena; a 37,800-square foot show pavilion with a 250 x 130 foot arena; a 1,000-seat outdoor amphitheater; a cattle barn; a hog barn; a 90-stall horse barn; a goat/sheep barn; a small animal barn; picnic pavilion and a large space for outdoor rides and events.

Being a great economic driver for our region, this \$12 million project is a public/private partnership with Pickaway County providing \$7 million in funding and a capital campaign raising the remaining \$5 million. While many generous corporations, foundations and families have stepped up to get us over halfway to our goal, we still have just under \$2 million to reach our goal. The Pickaway Agriculture and Event Center has partnered with the Pickaway County Community Foundation to house all funds raised with transparency and accountability.

How Can You Help?

Please consider supporting this very worthy project with a financial gift that would best express your passion for our community and the Pickaway Agriculture and Event Center.

Gifts may be pledged over a number of years and we have developed a recognition level for all amounts.

Small Animal Pen	\$150
Small Donor Wall Recognition	\$250
Large Donor Wall Recognition	\$5,000
Hog or Sheep & Goat Pen	\$1,000
Horse Stalls	\$1,500
Hog Wash Bay	\$3,000
Amphitheater Row	\$5,000

Thank you for supporting our mission to Pickaway County!
Jay H. Wippel, Pickaway County Commissioner & Campaign Chair
